

Pipette Population Worksheet for Reagent Consumption/Cost Analysis

Please use this form to summarize your pipette population. ARTEL will determine reagent consumption and cost based on the information provided.

Facility/Laboratory: _____

Contact Name: _____

Contact Fax No: _____

Frequency of Calibration: _____

Number of Data Points per Volume: _____

Name and Model of Pipettes: _____

Volume Checked (µL)	Total # of Pipettes at that Volume*
Ex: 50 µL	3
Ex: 100 µL	7
